

ALBERTA BIG HEART ALE

Boiling Oar Brewing Co. has teamed up with our generous suppliers to obtain the ingredient required for a one-off double batch (1000Litres) of English style Golden Ale. This beer will be packaged into 50L kegs and sold at higher than normal invoice price to help raise funds for the rebuilding of Fort McMurray. This beer will be available early June.

WHERE WILL MONEY RAISED GO?

Every cent we receive in sales for this beer will go towards the Wood Buffalo Food Bank Association in Fort McMurray. We chose this association for the donation as we feel it will be vital in the rebuilding process, for the victims of this tragic disaster.
